**ORDER REGARDING CASE NUMBER
AND CLOSING FILE NO. WM-2011-0113**

Issue Date: November 3, 2010

Effective Date: November 3, 2010

This case was opened as WO-2011-0112 then changed to WM-2011-0113. The “M” in “WM” indicates that this case is a merger. Because this case is not a merger and because “WO” is the only other choice for a case denomination, this case number should be WO-2011-0112.

The Commission notes that the Order Directing Notice and Setting intervention Deadline is styled with the File No. WM-2011-0113. Rather than re-issue the order as a “WO” as it should be, the Commission will direct the Data Center to file the “WM” order in the “WO” docket. The Commission will also direct the Data Center and the Public Information Officer of the Commission to send a copy of this order to those who initially received the Order Directing Notice and Setting Intervention Deadline.

Finally, the Commission will close the File No. WM-2011-0113.

THE COMMISSION ORDERS THAT:

1. The Data Center of the Commission shall file the Order Directing Notice and Setting Intervention Deadline, File No. WM-2011-0113, in the WO-2011-0112 docket.

2. The Data Center and the Public Information Officer of the Commission shall issue a copy of this order as the Order Directing Notice and Setting Intervention Deadline was sent.

3. File No. WM-2011-0113 shall be closed.

4. This order shall become effective upon issuance.
