NOTICE OF CORRECTION

Issue Date: December 22, 2008

On December 17, 2008, the Commission issued an order establishing cases, providing notice, setting intervention deadlines and scheduling a joint prehearing conference for these matters. In the body of the Commission's order, it was stated:

The Commission finds that proper persons wishing to intervene shall have twenty (20) days from the date of this order to file an application to intervene with the Secretary of the Commission and shall send a copy of the application to intervene to all parties as directed below.

The ordered paragraphs set an intervention date of January 16, 2009 for these matters, or 30 days from the date of the December 17, 2008 order. The thirty-day intervention deadline is the correct deadline. Consequently, the sentence in the body of the order should have read:

The Commission finds that proper persons wishing to intervene shall have thirty (30) days from the date of this order to file an application to intervene with the Secretary of the Commission and shall send a copy of the application to intervene to all parties as directed below.

The order is accordingly corrected nunc pro tunc.
