Re: Case No. EO-2008-0134

Dear Judge Woodruff:

Accompanying this letter please find a document marked Late Filed Exhibit No. 1, which is the documentation requested by Chairman Davis during the on-the-record presentation in this case held on August 18, 2008.

This exhibit reflects analysis results indicating that AmerenUE's participation in an ICT is \$16.9 million (i.e., the \$17 million reflected in the Stipulation) less favorable than continued participation in the Midwest ISO over the 3-year period. Similarly, participation in SPP is indicated to be \$66.9 million less favorable over the 3-year period than continued participation in the Midwest ISO.

This exhibit has been filed via EFIS, and we ask that this document be made a part of the record in this case.

Sincerely,

**/s/ James B. Lowery**
