

5. Following Staff’s discovery of the missing Sheet No. 10, Raytown filed a revised Sheet No. 10, in compliance with the Agreement, requesting expedited treatment under Commission Rule 20 CSR 4240-2.065(2), and a waiver of the 30-day requirement under Commission Rule 20 CSR 4240-10.075(15), in order for Sheet No. 10 to be effective on September 8, 2020.

6. Staff has reviewed Sheet No. 10, and finds that it is in compliance with the Agreement. Specifically, Sheet No. 10 increases the rate for each fire hydrant installed from the current rate of \$186.06 to \$211.48, annually. Further, the tables below show rates for automatic sprinkler systems prior to this rate case, and the rate increases for automatic sprinkler systems that must go into effect per the Agreement:

P.S.C. Mo. No. 5 First Revised Sheet No. 10 Cancelling Original Sheet No. 10

Tap Size	Annual Charge
2.0"or less	\$24.79
4.0"	\$98.63
6.0"	\$207.78
8.0"	\$373.99
10"	\$631.28

P.S.C. Mo No. 5 Second Revised Sheet No. 10 Cancelling First Revised Sheet No. 10

Tap Size	Annual Charge
2.0"or less	\$28.18
4.0"	\$112.10
6.0"	\$236.17
8.0"	\$425.08
10"	\$717.52

7. As approval of Sheet No. 10 is necessary to fully effectuate the terms of the Agreement, Staff recommends that the Commission grant Raytown's requests for expedited treatment, find that good cause exists to waive the 30-day requirement,¹ and approve Sheet No. 10, to go into effect on September 8, 2020. Doing so will result in all of the tariffs effectuating the Agreement going into effect simultaneously, and will limit the potential for confusion for both Raytown and its customers.

WHEREFORE, Staff recommends that the Commission grant Raytown's request for expedited treatment per Commission Rule 20 CSR 4240-2.065(2), grant Raytown's motion for waiver of the 30-day requirement under Commission Rule 20 CSR 4240-10.075(15) and Section 393.140(11), RSMo, and approve P.S.C. Mo. No. 5, Second Revised Sheet No. 10 Cancelling First Revised Sheet No. 10, to go into effect on September 8, 2020.

Respectfully Submitted,
