Re: Notice of Appeal, Case No. ER-2012-0174, Kansas City Power & Light Company's Request for Authority to Implement a General Rate Increase for Electric Service

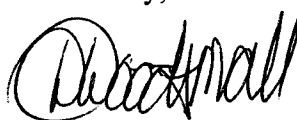

Dear Ms. Brueggemann:

Please find enclosed for filing the original and three copies of Midwest Energy Consumers' Group's Notice of Appeal in Case No. ER-2012-0174, filed with the Missouri Public Service Commission pursuant to Section 386.510, RSMo. Enclosed is the Notice of Appeal form that the Commission has made available for this purpose, which in all material respects is the same as Form 8-A issued by the Missouri Supreme Court.

Because the Missouri Supreme Court has not formally amended Supreme Court Rule 81.01(a), I am including the Notice of Appeal using the Supreme Court's Form 8-A as well. Also enclosed is the docket fee in the amount of \$70 as required by Supreme Court Rule 81.04(d).

Please return to me a file-stamped copy of the extra copy of both the Commission's form of notice, as well as the Supreme Court's Form 8-A notice. Please do not hesitate to contact me should you have any questions. Thank you for your assistance.

Sincerely,

David Woodsmall
