Service Provided in Missouri Service Areas)

Case No. WR-2020-0344

MOTION FOR EXTENSION TO FILE RECONCILIATION

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), and for its *Motion for Extension to File Reconciliation*, respectfully states as follows:

1. On September 3, 2020, the Commission issued its *Order Amending Procedural Schedule* in which it prescribed February 11, 2021, as the date by which the Reconciliation was to be filed in this case.

2. Staff states that the parties have done their best to comply with the Commission's Order; however Staff anticipates the possibility that it will not be able to finalize the Reconciliation by the end of business on February 11, 2021. Therefore, out of an abundance of caution, Staff requests an extension until Tuesday, February 16, 2021, by which to file the parties' Reconciliation. Staff has informed the parties of its intent to request a short extension, and no party has voiced an objection.

WHEREFORE, Staff prays that the Commission will grant this *Motion for Extension to File Reconciliation*, and order Staff to file the Reconciliation no later than February 16, 2021; and grant such other and further relief as the Commission considers just in the circumstances.

Respectfully submitted,

/s/ Mark Johnson
