

UNION ELECTRIC COMPANY GAS SERVICE

Applying to MISSOURI SERVICE AREA

MISSOURI ENERGY EFFICIENT NATURAL GAS EQUIPMENT REBATE PROGRAM

APPLICATION:

The Missouri Energy Efficient Natural Gas Equipment Rebate Program (the Program) is designed to encourage more effective utilization of natural gas by encouraging energy efficiency improvements through the replacement of inefficient natural gas equipment with high efficient Energy Star rated natural gas equipment. Rebates are being offered on a limited basis for a portion of the cost of Energy Star rated programmable set back thermostats, low flow shower heads/aerators, energy efficient water heater wraps, energy efficient hot water pipe insulation, residential Energy Star rated natural gas furnaces, and commercial Energy Star rated natural gas utilization equipment purchased by Participants. Company's participation in such financial incentives is limited to the Funds allocated for that purpose by the Residential and Commercial Energy Efficiency Collaboration (RCEEC) pursuant to the Stipulation and Agreement approved by the Missouri Public Service Commission in Case No. GR-2003-0517.

DEFINITIONS:

Administrator - Company will administer the Program

* Funds - RCEEC has allotted a total of eighty-one thousand five hundred and fifty dollars (\$81,550) to fulfill rebates as follows:

One thousand nine hundred dollars (\$1,900) for Energy Star rated programmable auto set back thermostats

Fifty dollars (\$50) for low cost energy measures consisting of a maximum purchase of three (3) low flow shower heads/aerators, one (1) energy efficient water heater wrap, and five (5) feet of energy efficient hot water pipe insulation

UNION ELECTRIC COMPANY GAS SERVICE

Applying to MISSOURI SERVICE AREA

MISSOURI ENERGY EFFICIENT NATURAL GAS EQUIPMENT REBATE PROGRAM (Cont'd)

- * Sixty-three thousand one hundred dollars (\$63,100) for Energy Star rated residential natural gas furnace installations
- * Sixteen thousand five hundred dollars (\$16,500) for commercial Energy Star rated natural gas utilization equipment installation

Participant - a customer, who is being served under either the Company's Residential or General Service natural gas rate class, is located in Missouri and elects to purchase energy efficient gas saving equipment as described in the Program. Rebates apply only to residential customers purchasing Energy Star rated programmable auto set back thermostats, low flow shower heads/aerators, energy efficient water heater wrap, energy efficient hot water pipe insulation, and Energy Star rated residential natural gas furnaces; rebates for Energy Star rated natural gas utilization equipment only apply to General Service customers.

Retailer - Any retailer which has agreed to sell Energy Star rated energy efficient natural gas equipment associated with this Program.

RCEEC - Residential and Commercial Energy Efficiency Collaborative, established by the Commission in Case No. GR-2003-0517 includes representatives from Company, Commission Staff, Office of the Public Counsel, and the Department of Natural Resources Energy Center. The RCEEC was authorized to develop programs that increase energy efficiency among Company's residential and commercial natural gas customers.

AVAILABILITY:

The Program is voluntary and available once to any Participant. Rebates must be redeemed though the Administrator. Participating Retailers can be determined by visiting Company's Website (www.ameren.com) or by calling 314-342-1111 or 1-800-552-7583.
