Dear Mr. Roberts:

Yesterday we sent by Federal Express (for filing today) an Application to Intervene in the above matter. I discovered this morning that an unverified page of the Application was collated into the copy run rather than the completed page. The original of the completed page is enclosed and is submitted in lieu of the corresponding incomplete page. A copy has also been sent to the service list.

I apologize for the error and any inconvenience that may have been caused.

Sincerely yours,

FINNEGAN, CONRAD & PETERSON, L.C.
