PROGRAM FUNDS

Program funds will be used for the rebate costs and external administration and processing costs associated with Residential and General Service Measures. Up to \$16,250 of program funds may be used to cover marketing expenses incurred during 2010. The RCECC has allotted the remaining \$100,000 of funds in the Company's natural gas energy efficiency account (Account) to the Program. When the Account has been depleted, the Company will provide additional funding to the Account and defer that additional amount for future ratemaking treatment in the manner set forth in paragraph 19 in the Stipulation and Agreement approved by the Commission in Case No. GR-2007-0003.

PROGRAM TERM

*The Program will conclude February 28, 2011.

Any Program Funds in excess of actual program expenses that remain at the end of the Program will be available to other RCEEC programs.
