STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission ("Staff") and submits its Recommendation as follows:

1. On October 3, 2011, Embarras Missouri, Inc., d/b/a CenturyLink, CenturyTel of Missouri, LLC, d/b/a CenturyLink, and Spectra Communications Group, LLC, d/b/a CenturyLink ("Company") filed an application with the Missouri Public Service Commission ("Commission") for approval of a Wireline E911 Network Services Commercial interconnection agreement with Intrado Communications, Inc. under the provisions of the Federal Telecommunications Act of 1996. The Agreement was revised through an Amendment, which was filed on October 26, 2011.

2. On October 5, 2011, the Commission issued its *Order Directing Notice and Making Intrado Communications, Inc. a Party* and in which it directed Staff to file a memorandum regarding the Application.

3. 47 USC 252(e)(2) provides that a state commission may only reject an interconnection agreement adopted by negotiation if the agreement discriminates

against a telecommunications carrier not a party to it or its implementation is not consistent with the public interest, convenience, and necessity.

4. In the attached Memorandum, Staff states that the interconnection agreement does not discriminate against telecommunications carriers not parties to it, nor is its implementation inconsistent with the public interest, convenience or necessity.

5. The Company is not delinquent in filing its annual report, or in paying its PSC assessment, or MoUSF and Relay Missouri surcharges.

WHEREFORE, Staff recommends the Commission approve the Amended Agreement and direct the parties to submit to the Commission any subsequent modifications or amendments to the Interconnection Agreement.

Respectfully submitted,
