**File No. TK-2014-0252**

## ORDER DIRECTING NOTICE, SETTING INTERVENTION DEADLINE, AND MAKING SPRINT SPECTRUM L.P. A PARTY

Issue Date: March 13, 2014

Effective Date: March 13, 2014

**Syllabus:** This order provides notice of this application to interested parties, establishes a deadline for intervention and for requesting a hearing, and joins the other party to the interconnection agreement, Sprint Spectrum L.P. ("Sprint Spectrum"), as a party to this proceeding.

On March 13, 2014, New London Telephone Company, Orchard Farm Telephone Company and Stoutland Telephone Company ("the TDS Companies") filed an application with the Commission for approval of a negotiated interconnection agreement with Sprint Spectrum under the provisions of the federal Telecommunications Act of 1996. The TDS Companies state that there are no unresolved issues and that the agreement complies with Section 252(e) of the Act in that it is consistent with the public interest, convenience and necessity, and is not discriminatory to nonparty carriers.

Although Sprint Spectrum is a party to the agreement, it did not join in the application. Because Sprint Spectrum is a necessary party to a full and fair adjudication of this matter, the Commission will add Sprint Spectrum as a party to this case.

The Act provides that an interconnection or resale agreement must be approved unless the state commission finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience, and necessity.<sup>1</sup> Section 252(e)(4) of the Act provides that if the Commission has not approved an agreement within 90 days after submission, the agreement shall be deemed approved. The Commission finds that proper persons shall be allowed 15 days from the issuance of this order to file a motion for hearing. The Commission also finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies.

**THE COMMISSION ORDERS THAT:**

1. The Commission's Data Center shall send notice to all interexchange and local exchange telecommunications companies.
2. Sprint Spectrum L.P. is made a party to this case.
3. Any party wishing to intervene or request a hearing shall do so by filing a pleading no later than March 28, 2014, with:

Morris L. Woodruff, Secretary  
Missouri Public Service Commission  
Post Office Box 360

<sup>1</sup> 47 U.S.C. § 252(e).
