ORDER ADMITTING LATE-FILED EXHIBITS

Issue Date: May 27, 2020

Effective Date: May 27, 2020

On May 26, 2020, the Office of the Public Counsel (Public Counsel) late filed an update to Exhibit 601 (confidential and public versions), which was originally offered by Confluence Rivers Utility Operating Company, Inc. (Confluence Rivers) during the May 19, 2020 evidentiary hearing regarding net book value. Public Counsel requests that the updated versions of Exhibit 601, as well as Public Counsel's associated pleading, be entered into the record as a late-filed exhibit by the Public Counsel. The Commission will designate these papers as Exhibits 900C and 900P.

Public Counsel states that it contacted the other parties and none objected to the admission of its late-filed exhibit. Based on the representation of counsel, the Commission will consider the request for admission of the late-filed exhibit unopposed. The Commission finds that the unopposed request for admission of the late-filed exhibit is reasonable and will grant it.

THE COMMISSION ORDERS THAT:

1. Exhibits 900C and 900P are admitted into evidence.
2. This order shall be effective when issued.
