in the Missouri Service Area of the)
Company)

Case No. ER-2010-0130

**RECOMMENDATION OF THE EMPIRE DISTRICT
ELECTRIC COMPANY REGARDING TRUE-UP AUDIT AND HEARING**

Comes now The Empire District Electric Company (“Empire” or “Company”), by and through its undersigned attorneys, and in response to the Suspension Order and Notice issued by the Missouri Public Service Commission (“Commission”) in the captioned matter on November 4, 2009, hereby states as follows:

Empire recommends that the Commission adopt, for purposes of this case, a true-up audit and hearing, if necessary, that will allow the rate recovery of the capital expenditures associated with the Company’s participation in the construction and ownership of the Iatan 2 and Plum Point coal-fired generating facilities.

Empire is currently in discussions with the Commission’s Chief Staff Counsel, the Office of the Public Counsel and other Signatory Parties to Case No. EO-2005-0263, the docket involving Empire’s Experimental Regulatory Plan, about procedures to be used in this case, including the timing of the consideration and rate recovery of Empire’s investments in the Iatan 1, Iatan 2 and Plum Point coal-fired generating facilities and other expenditures. These discussions may cause Empire to modify its True-Up Recommendation.

WHEREFORE Empire prays the Commission issue an order establishing a true-up for this case as proposed herein.

Respectfully submitted,

Brydon, Swearengen & England P.C.
