Re: Case No. TO-2004-0207
In the Matter of a Commission Inquiry into the Possibility of Impairment without Unbundled
Local Circuit Switching When Serving the Mass Market

Dear Secretary Roberts:

Accutel of Texas, Inc. (Accutel), recently learned of the Missouri Public Service Commission's November 5, 2003, Order Creating Case and Establishing Initial Filing Deadlines in the above-referenced case which made Accutel a party to Case No. TO-2004-0207. That Order also provides that CLECs which provide service "solely on the basis of resold incumbent local exchange carrier services" may request to withdraw from the case.

Accutel of Texas, Inc., provides basic local service in Missouri solely on the basis of resold incumbent local exchange carrier services and wishes to be allowed to withdraw from Case No. TO-2004-0207.

Enclosed is a duplicate copy of this letter to be file-stamped and returned to me in the self-addressed, postage paid envelope.
