for Approval of a Traffic Termination Agreement ) **Case No. TO-2006-0287**  
under the Telecommunications Act of 1996 )

**ORDER DIRECTING NOTICE AND MAKING  
UNITED STATES CELLULAR CORPORATION A PARTY**

Issue Date: January 9, 2006

Effective Date: January 9, 2006

This order provides notice of this application to interested parties, joins United States Cellular Corporation (US Cellular) as a party, and directs the Staff of the Commission to offer its approval or rejection of the parties' agreement.

On January 5, 2006, Granby Telephone Company (Granby) filed an application for approval of a traffic termination agreement with US Cellular under the provisions of the Telecommunications Act of 1996. Granby states there are no unresolved issues and that the agreement complies with Section 252(e) of the Act because it is not discriminatory to nonparty carriers and is consistent with the public interest. Granby requests expeditious approval of the agreement. Although US Cellular is a party to the agreement, it did not join in the application filed by Granby.

Sections 252(e)(1) and (2) of the Act provide that an interconnection or resale agreement must be approved by the state commission unless it finds that the agreement discriminates against a telecommunications carrier not a party to the agreement, or that implementation of the agreement is not consistent with the public interest, convenience,

and necessity. Section 252(e)(4) of the Act provides that a state commission must approve or reject an agreement reached by negotiation within 90 days after submission. If not, the agreement shall be deemed approved.

The Commission finds that notice of this application shall be sent to all interexchange and local exchange telecommunications companies. Proper persons will be allowed until January 30, 2006, to file a motion for hearing. The Commission will proceed with this case expeditiously.

**IT IS THEREFORE ORDERED:**

1. That the Commission's Data Center shall send notice of this application to all interexchange and local exchange telecommunications companies.
