ORDER DIRECTING NOTICE AND SETTING DATE FOR SUBMISSION
OF INTERVENTION REQUESTS

Issue Date: March 2, 2007

Effective Date: March 2, 2007

On February 23, 2007, United Way of Greater St. Louis, Inc. filed an application as described in the above caption.

The Commission finds that notice of this application should be given to the general public and those who may be interested. A date for intervention requests will also be set.

Under Commission rule 4 CSR 240-32.200 (4) the following notice is required:

To all incumbent local exchange telecommunications companies in the exchange(s) to be served, all facilities-based alternative local exchange telecommunications companies, all human service entities listed in the yellow pages under the categories "Human Services Organizations" and "Social Service Organizations" for the exchanges to be served, all county seats for the requested exchanges, and all city governments in cities within the requested exchanges that have a population of five thousand (5,000) or more persons.

The Commission's Data Center shall mail a copy of this notice as described in the above rule. However, rather than burden the Commission's Data Center with the task of looking through all of the yellow pages under the above-described categories, the Commission will require that United Way of Greater St. Louis notify all of the agencies it funds. The

Commission finds that this will satisfy the notice requirement with regard to “Human Services Organizations” and “Social Service Organizations.”

The requirement for a hearing has been fulfilled when all those having a desire to be heard are offered an opportunity to be heard. If interventions are granted and neither the Commission’s Staff nor the Office of the Public Counsel requests a hearing, the Commission may determine that a hearing is not necessary.

IT IS ORDERED THAT:

1. The Missouri Public Service Commission’s Data Center shall serve notice as set out in the body of this order.
2. The United Way of Greater St. Louis shall notify those agencies it funds.
3. All those wishing to intervene in this matter shall file an application to do so not later than March 22, 2007. Such application shall be filed with:
