Plan Administrator's Decision to Withhold	)	
Numbering Resources	)	

**ORDER OVERTURNING NORTH AMERICAN
NUMBERING PLAN ADMINISTRATOR'S DECISION**

Issue Date: April 11, 2007

Effective Date: April 11, 2007

On March 15, 2007, Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri filed an application requesting that the Missouri Public Service Commission review and reverse a decision of the North American Numbering Plan Administrator (NANPA), NeuStar, Inc., of AT&T Missouri's application to obtain a thousands-block within the 816 NPA in the Lee's Summit rate center, to provide service to a new hospital facility.

On March 26, 2007, the Staff of the Commission filed its Staff Recommendation. No other applications to intervene, requests for hearing, or recommendations have been filed. Staff recommended the Commission grant AT&T Missouri's request for a thousands-block within the 816 NPA in the Lee's Summit rate center.

The Commission has the authority to overturn NANPA's decision to withhold numbering resources from a carrier pursuant to 47 C.F.R. §52.15(g)(4), which states in

part, "The state commission also may overturn the NANPA's decision to withhold numbering resources from the carrier based on its determination that the carrier has demonstrated a verifiable need for numbering resources and has exhausted all other available remedies."

Based on Staff's recommendation, the Commission finds that AT&T Missouri has demonstrated a verifiable need for numbering resources and has exhausted all other available remedies. The Commission overturns NANPA's decision and approves AT&T Missouri's requests for one block of thousand telephone numbers as listed above.

IT IS ORDERED THAT:

1. The North American Numbering Plan Administrator's decision to withhold numbering resources from Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri is overturned.
2. AT&T Missouri's request to receive a thousands-block within the 816 NPA in the Lee's Summit rate center is granted.
3. This order shall become effective on April 11, 2007.
4. This case may be closed on April 12, 2007.

BY THE COMMISSION
