EXPEDITED TREATMENT

Issue Date: November 13, 2007

Effective Date: November 13, 2007

This order directs that notice of this case be sent to all certificated interexchange and basic local exchange telecommunications companies in the state of Missouri and to the North American Numbering Plan Administrator. The order also establishes dates for the filing of requests to intervene, for the filing of recommendations, and granting the motion for expedited treatment.

On November 9, 2007, Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri filed an application and Motion for Expedited Treatment under 47 C.F.R. 52.15(g)(3)(iv), requesting that the Missouri Public Service Commission review and reverse a decision of the North American Numbering Plan Pooling Administrator (NANPA), NeuStar, Inc., to withhold certain numbering resources from AT&T Missouri. The numbering resources are required in order to accommodate the needs of Jim Butler Chevrolet ("Butler Chevrolet") located in Fenton, Missouri. The numbering resources AT&T Missouri requested consist of

a single block of one thousand numbers within the NPA-NXX of 636-717 in the Fenton rate center, and within any of the XXXX ranges of 3000-3999, 4000-4999, 5000-5999, 7000-7999, 8000-8999 or 9000-9999 from which one hundred (100) sequential telephone numbers can be drawn to meet the needs of Bulter Chevrolet.

AT&T has requested expedited treatment in that Butler Chevrolet needs the telephone numbers to be active by November 30, 2007. The Commission concludes that good cause has been shown pursuant to 4 CSR 240-2.080(16). The Commission finds that proper persons should be allowed to file a request for intervention or a motion for hearing. Therefore, the Commission will set a time for interventions as directed below. The Commission will also direct its Data Center to send a copy of this order to each certificated interexchange and basic local exchange telecommunications company in Missouri. In addition, the Data Center shall send a copy of this order to the North American Numbering Plan Administrator, NeuStar, Inc.

The Commission will also direct its Staff to file a recommendation and will establish a date by which any other party wishing to respond must file a recommendation.

IT IS ORDERED THAT:
