ORDER DIRECTING FILING OF EXHIBIT 8 OR STATUS REPORT

Issue Date: February 4, 2008

Effective Date: February 4, 2008

During the evidentiary hearing on January 31, 2008, the Missouri Public Service Commission ordered Missouri American Water Company (MAWC) to remove and test the water meter serving Mrs. Walter L. Schwab's residence. The Commission ordered its Staff to supervise the meter test. The Commission further ordered that exhibit number 8 be reserved for MAWC to late-file the results of that meter test.

Because the parties were uncertain how long it would take to schedule the required meter test, the deadline for filing Late-Filed Exhibit 8 was not set. However, the Commission wants to ensure that there shall not be a significant delay in filing the meter test result. Accordingly, the Commission shall order MAWC to file its Late-Filed Exhibit 8 or a status report indicating when it expects to file that exhibit no later than February 21, 2008.

IT IS ORDERED THAT:

1. Missouri American Water Company shall file Late-Filed Exhibit 8, or a status report indicating when it expects to file that exhibit, no later than February 21, 2008.

2. This order shall become effective on February 4, 2008.
