

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of Veolia Energy)	
Kansas City, Inc. for Authority)	Case No. HR-2012-
to File Tariffs to Increase Rates)	

NOTICE OF RATE CASE FILING

COMES NOW Veolia Energy Kansas City, Inc. (“Veolia”) and pursuant to 4 CSR 240-4.020, states as follows:

1. Commission Rule 4 CSR 240.40.020 (2) provides that any regulated entity that “intends to file a case likely to be a contested case...shall file a notice with the secretary of the Commission a minimum of sixty (60) days prior to filing such a case.” The notice must detail the type of case and issues likely to be before the Commission.

2. Veolia presently intends to file tariffs to initiate a general rate proceeding seeking an increase in its retail electric rates within the next 60 days. Given the Commission’s routine suspension of tariff filings in rate case proceedings, and the statutory requirement that a hearing be held after such suspension, it is likely that this proceeding will become a “contested case” within the meaning of Section 536.010(4) RSMo. as adopted in 4 CSR 240-4.020(1)(C).

3. Veolia notes that the issues likely to be before the Commission in its upcoming rate case consist of all revenue requirement, class cost allocation and rate design issues, and revenue requirement issues.

Respectfully submitted,
