RE: Motion for Proposed Rulemaking filed as Case No. AX-2008-0201

Dear Mr. Mills:

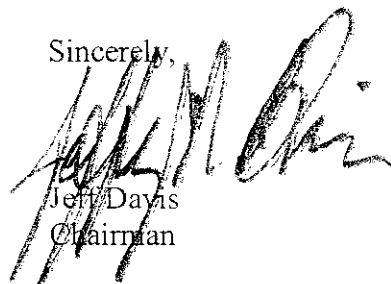

I'd like to take this opportunity to extend my personal and sincere thanks to you for your time and effort in filing the motion for a proposed rulemaking in Case No. AX-2008-0201. I also deeply appreciate various consumer advocacy groups uniting to support one position in this matter.

In addition, this letter is to acknowledge receipt of that motion and to formally request your coalition to present this proposed rule at the hearing I have scheduled on January 7th at 10:00 a.m. in Case No. A0-2008-0192. This hearing will be "on-the-record" and provide this Commission with an excellent opportunity for all parties to comment on your proposed rulemaking prior to the Commission acting on your request.

Further, this information will also be timely for the Missouri General Assembly, who may want to consider incorporating all or part of your rulemaking proposal into legislation proposals for the 2008 Legislative Session. It is my intent to forward all of the information presented, including copies of the transcript, to the Governor and to the respective party leaders in both houses of the Missouri General Assembly as expeditiously as possible in early January.

Thank you for your consideration in this matter and I look forward to hearing from you shortly.

Sincerely,

Jeff Davis
Chairman
