**ORDER GRANTING MOTION FOR EXTENSION OF TIME**

Issue Date: June 15, 2007

Effective Date: June 15, 2007

On June 14, 2007,<sup>1</sup> the Commission granted the Office of the Public Counsel's ("OPC") request for a local public hearing in these matters. In addition to setting the local public hearing for June 25, the Commission directed OPC to file a pleading stating if it agreed or disagreed with the revised tariff sheets filed by S. K. & M. Water and Sewer Company no later than July 2; seven days after the hearing. A prior order from the Commission directed the Staff of the Missouri Public Service Commission to file its recommendations in these matters no later than June 14.

On June 14, the Commission's Staff filed motions requesting an extension of time to file its recommendations until July 3, so it too would have the benefit of the testimony offered at the hearing and of OPC's July 2 filing. The Commission finds Staff's requests reasonable, and will grant them.
