ORDER CONSOLIDATING CASES

Issue Date: June 19, 2006

Effective Date: June 19, 2006

On June 16, 2005, Big Island Water & Sewer Company filed an application for a certificate of convenience and necessity to operate a water and sewer system in Camden County. Separate cases were opened to consider certification of the water and sewer systems.

4 CSR 240-2.110(3) allows the Commission to consolidate pending actions involving related questions of law or fact. The issues in WA-2006-0480 are clearly related to those in Case No. SA-2006-0482. Keeping the cases separate would not provide any benefit, and would require duplicate filings of every pleading and order. Therefore, the cases should be consolidated for all purposes. Case No. WA-2006-0480 will be designated as the lead

case and hereafter all pleadings filed in the consolidated case will be filed in WA-2006-0480.

IT IS ORDERED THAT:

1. Case No. SA-2006-0482 is consolidated with Case No. WA-2006-0480. Case No. WA-2006-0480 is designated as the lead case.
2. This order shall become effective on June 19, 2006.
