Operate, Control, Manage, and Maintain a Water )  
System in Cole County, Missouri )

**Case No. WA-2015-0108**

**STATUS REPORT**

**COMES NOW** the Staff of the Missouri Public Service Commission, and hereby respectfully submits this *Status Report* in the above-captioned matter.

1. On October 29, 2014, Missouri-American Water Company (“MAWC”) filed an Application to obtain a certificate of convenience and necessity to install, own, acquire, construct, operate, control, manage, and maintain a water system in Cole County, Missouri.

2. On November 20, 2014, the Commission ordered Staff to file a status report or recommendation no later than December 22, 2014.

3. On December 19, 2014, Staff filed a status report indicating that more information was required from the developer before Staff could file a recommendation. Staff requested an additional 30 days to complete its investigation. On December 22, 2014, the Commission ordered Staff to file a status report or recommendation no later than January 22, 2015.

4. On January 20, 2015, Staff met with the original developer and obtained the available invoice information for the system. However, Staff requires additional time to process the information and ask more questions if necessary. In order for Staff to complete its audit and investigation, Staff requires another 30 days. Therefore, Staff

recommends the Commission order that Staff shall file its recommendation or a third status report no later than February 23, 2015.

**WHEREFORE**, Staff recommends the Commission order Staff to file its recommendation or third status report in this matter no later than February 23, 2015.

Respectfully submitted,
