DISSENTING OPINION OF COMMISSIONER CONNIE MURRAY

I would deny the Motion to Compel Responses to Data Requests in its entirety. I believe that each data request is objectionable on grounds that it is irrelevant, or that it is vague, overbroad, and unduly burdensome and expensive, or both. Furthermore, all data requests seek information or documents that Staff admits are not within Missouri-American's possession or control.

Therefore, I respectfully dissent.

Respectfully submitted,

Connie Murray, Commissioner

Dated at Jefferson City, Missouri,
on this 2nd day of December 2003.
