**UPDATE TO STATEMENT OF DISCOVERY CONCERNS**

**COMES NOW** the Office of the Public Counsel (“OPC”) and for its *Update to Statement of Discovery Concerns*, states as follows:

1. The OPC filed its *Statement of Discovery Concerns* on April 14, 2023.
2. Following its initial filing, the OPC received objections to several more data requests (“DRs”) issued to Confluence Rivers Utility Operating Company, Inc. (“Confluence Rivers”). These objections were not received by the OPC until after the close of business on April 14, which is why they were not included in the original filing.
3. The OPC wishes to update its initial list of disputed DRs to include DRs 2002, 2003, 2004, 2005, 2007, and 2008.
4. These are in addition to the disputed DRs included in the OPC’s original filing.
