

**STATE OF MISSOURI
PUBLIC SERVICE COMMISSION**

At a session of the Public Service
Commission held at its office in
Jefferson City on the 22nd day of
February, 2007.

In the Matter of the Application of Southwestern Bell)	
Telephone, L.P. d/b/a AT&T Missouri, for Review)	
and Reversal of the North American Numbering)	<u>Case No. TO-2007-0293</u>
Plan Administrator's Decision to Withhold)	
Numbering Resources)	

**ORDER OVERTURNING NORTH AMERICAN
NUMBERING PLAN ADMINISTRATOR'S DECISION**

Issue Date: February 22, 2007

Effective Date: February 22, 2007

On February 1, 2007, Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri, filed an application requesting that the Missouri Public Service Commission review and reverse a decision of the North American Numbering Plan Administrator (NANPA), NeuStar, Inc., of AT&T Missouri's application to obtain a thousands-block within the NPA-NXX of 573-705, or other suitable NXX, and within the XXXX range of 1000-1999, to provide service to Botkin Lumber Company, Inc. in Farmington, Missouri.

On February 16, 2007, the Staff of the Commission filed its Staff Recommendation. No other applications to intervene, requests for hearing, or recommendations have been filed. Staff recommended the Commission grant AT&T Missouri's request for one block of one thousand telephone numbers within the NPA-NXX of (573) 705 also within an XXXX in which the first digit would begin with a 5, 4, 3, 2, or 1.

The Commission has the authority to overturn NANPA's decision to withhold numbering resources from a carrier pursuant to 47 C.F.R. §52.15(g)(4), which states in

part, "The state commission also may overturn the NANPA's decision to withhold numbering resources from the carrier based on its determination that the carrier has demonstrated a verifiable need for numbering resources and has exhausted all other available remedies."

Based on Staff's recommendation, the Commission finds that AT&T Missouri has demonstrated a verifiable need for numbering resources and has exhausted all other available remedies. The Commission overturns NANPA's decision and approves AT&T Missouri's requests for one block of thousand telephone numbers as listed above.

IT IS ORDERED THAT:

1. The North American Numbering Plan Administrator's decision to withhold numbering resources from Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri is overturned.
2. AT&T Missouri's request to receive one block of thousand telephone numbers in the NPA-NXX of 573-705 also within an XXXX in which the first digit would begin with a 5, 4, 3, 2, or 1, is granted.
3. This order shall become effective February 22, 2007.
4. This case may be closed on February 23, 2007.

BY THE COMMISSION

Colleen M. Dale
