**ORDER DIRECTING FILING**

Issue Date: May 3, 2007

Effective Date: May 3, 2007

Upon the United Way of Greater St. Louis, Inc. filing its application in this matter, the Commission issued notice to certain entities. Such notice was based upon the counties listed in the application. Specifically, the Commission notified all of the county seats for the requested exchanges with populations of 5,000 or more.

Subsequently, the United Way filed an amended list of exchanges to be served. In its recommendation, the Staff of the Commission noted that the amended list added and omitted exchanges originally included in the application. For purposes of its notice, the Commission is uncertain if the added exchanges includes any counties that were not included in the original application. The Commission will therefore require the United Way to file a statement assuring the Commission that notice has been properly made.

**IT IS ORDERED THAT:**

1. The United Way of Greater St. Louis, Inc. shall file a statement as described in the body of this order.

2. This order shall become effective on May 3, 2007.
