

BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI

In the Matter of Embarq Missouri, Inc.'s Application for)
Competitive Classification Under Section 392.245.5) **Case No. TO-2008-0028**
RSMo (2005))

ORDER DIRECTING NOTICE, ESTABLISHING
PROCEDURAL SCHEDULE AND RESERVING HEARING DATE

Issue Date: July 27, 2007

Effective Date: July 27, 2007

On July 25, 2007, Embarq Missouri, Inc. ("Embarq") filed its verified Application for Competitive Classification pursuant to Section 392.245.5, RSMo Cum. Supp. 2005. In its Application, Embarq includes a proposed tariff. There is no effective date on the proposed tariff. Embarq requests that the Commission classify all residential services Embarq offers in its Lebanon exchange, other than exchange access services, as competitive.

Section 392.245.5(6), RSMo Cum. Supp. 2005, provides that when an incumbent local exchange telecommunications company requests competitive classification of its residential services, the Commission must determine, within thirty days of the request, "whether the requisite number of entities are providing basic local telecommunications service to business or residential customers, or both, in an exchange and if so shall approve tariffs designating all such business or residential services other than exchange access service, as competitive within such exchange." Because of the need to proceed expeditiously, the Commission will issue notice, set a procedural schedule, and reserve a date for a hearing if one should become necessary, as set out below.

Section 392.245.5, RSMo Cum. Supp. 2005, also provides, in pertinent part:

Each telecommunications service offered to residential customers, other than exchange access service, of an incumbent local exchange telecommunications company regulated under this section shall be classified as competitive in any exchange in which at least two non-affiliated entities in addition to the incumbent local exchange company are providing basic local telecommunications service to business customers within the exchange.

Accordingly, the Commission will direct its Staff to investigate this matter and to file a verified pleading stating whether there are at least two carriers serving Embarq's Lebanon exchange¹ who are not affiliated with Embarq but provide basic local phone service to residential customers located within that exchange. In addition, Staff shall state whether the competing carriers have local numbers available for use by residential customers in the Lebanon exchange.

If a hearing becomes necessary, the following procedures will apply:

(A) The Commission will require all parties to prefile testimony as defined in 4 CSR 240-2.130. All parties shall comply with this rule, including the requirement that testimony be filed on line-numbered pages. The practice of prefiling testimony is designed to give parties notice of the claims, contentions and evidence in issue and to avoid unnecessary objections and delays caused by allegations of unfair surprise at the hearing. The parties will be allowed to present rebuttal witnesses at the hearing.

(B) The Commission will direct that the transcript be expedited and submitted within **one business day** of the hearing.

(C) Because much of the evidence will have been filed before the hearing, the Commission will require pretrial briefs that address all the issues in dispute and all the relevant prefiled testimony. Because of the expedited nature of the hearing, no post-trial briefs will be

allowed. The Commission will allow the opportunity for closing arguments at the end of the hearing.

(D) Each party shall file with its brief a list of the witnesses it expects to call and the order in which they will be called.

(E) Each party is required to bring an adequate number of copies of exhibits that it intends to offer into evidence at the hearing. If an exhibit has been prefiled, and served on the other parties, only one copy of the exhibit is necessary for the court reporter. If an exhibit has not been prefiled, the party offering it shall bring, in addition to the copy for the court reporter, copies for the five Commissioners, the Presiding Judge, and all counsel.

(F) Each party must file proposed findings of fact and conclusions of law, including citations to prefiled testimony and other evidence.

If no hearing is requested, the Commission may make its determination based on the verified pleadings and recommendation of its Staff.²

IT IS ORDERED THAT:

1. The Data Center of the Missouri Public Service Commission shall send notice of this Application to all certificated competitive local exchange carriers and to all incumbent local exchange carriers in the state of Missouri.

2. The Public Information Officer of the Missouri Public Service Commission shall provide notice of this Application to the members of the General Assembly and to the news media serving the Lebanon exchange.
