**ORDER OVERTURNING NORTH AMERICAN
NUMBERING PLAN ADMINISTRATOR'S DECISION**

Issue Date: November 29, 2007

Effective Date: November 29, 2007

On November 15, 2007, Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri filed an application and Motion for Expedited Treatment under 47 C.F.R. 52.15(g)(3)(iv), requesting that the Missouri Public Service Commission review and reverse a decision of the North American Numbering Plan Pooling Administrator (NANPA), NeuStar, Inc., to withhold certain numbering resources from AT&T Missouri. The numbering resources AT&T Missouri requested consist of a single thousands-block within the NPA-NXX of 573-629, in the Hannibal rate center, and within the XXXX range of 3000-3999 from which three hundred (300) sequential telephone numbers can be drawn to meet Hannibal-LaGrange College's needs, located in Hannibal, Missouri.

On November 27, 2007, the Staff of the Commission filed its Staff Recommendation. No other applications to intervene, requests for hearing, or

recommendations have been filed. Staff recommended the Commission grant AT&T Missouri's request for a single block of one thousand telephone numbers within the NPA-NXX of 573-629 in the Hannibal rate center, and within the XXXX range of 3000-3999, or if the requested block is unavailable to grant it any other suitable block.

The Commission has the authority to overturn NANPA's decision to withhold numbering resources from a carrier pursuant to 47 C.F.R. §52.15(g)(4), which states in part, "The state commission also may overturn the NANPA's decision to withhold numbering resources from the carrier based on its determination that the carrier has demonstrated a verifiable need for numbering resources and has exhausted all other available remedies."

Based on Staff's recommendation, the Commission finds that AT&T Missouri has demonstrated a verifiable need for numbering resources and has exhausted all other available remedies. The Commission overturns NANPA's decision and approves AT&T Missouri's requests for one block of thousand telephone numbers as listed above.

IT IS ORDERED THAT:

1. The North American Numbering Plan Administrator's decision to withhold numbering resources from Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri is overturned.
2. AT&T Missouri's request to receive a single block of one thousand telephone numbers within the NPA-NXX of 573-629 in the Hannibal rate center, and within the XXXX range of 3000-3999, or if the requested block is unavailable to grant it any other suitable block is granted.
3. This order shall become effective on November 29, 2007.

4. This case may be closed on November 30, 2007.
