### **RULES AND REGULATIONS (CONT'D.)**

The program provides rebates to current and new customers, receiving service under the General Service (GS) rate schedule, who purchase and install a new high efficiency range/dryer, furnace, vent free heater, fireplace and/or water heater. The Company plans to contract with certain appliance stores in their service area to provide point of purchase rebates on a new high efficiency range/dryer, furnace, vent free heater, fireplace and/or water heater as a convenience to participants in the Program.\*

Definitions:\*

Administrator: The Company will administer the Program.\*

Participant: Current and new customers receiving service under the General Service (GS) rate schedule in the SNG service area who purchase and install a new high efficiency range/dryer, furnace, vent free heater, fireplace and/or water heater. To qualify for the rebate, the customer must complete and submit the SNG application for the rebate within 30 days of the equipment installation and allow SNG personnel to inspect the new installation. If the new high efficiency range/dryer, furnace, vent free heater, fireplace and/or water heater is replacing existing equipment the customer must also allow SNG to inspect the equipment replaced.\*

Availability: The voluntary program is available to current and new customers receiving service under the General Service (GS) rate schedule in the SNG service area.\*
