

**STATE OF MISSOURI
PUBLIC SERVICE COMMISSION**

At a session of the Public Service
Commission held at its office in
Jefferson City on the 3rd day of July,
2007.

In the Matter of the Application of Southwestern Bell)	
Telephone, L.P. d/b/a AT&T Missouri for Review)	
and Reversal of North American Numbering)	<u>Case No. TO-2007-0468</u>
Plan Thousands-Block Pooling Administrator's)	
Decision to Withhold Numbering Resources)	

**ORDER OVERTURNING NORTH AMERICAN
NUMBERING PLAN ADMINISTRATOR'S DECISION**

Issue Date: July 3, 2007

Effective Date: July 3, 2007

On June 6, 2007, Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri, filed an Application & Motion for Expedited Treatment requesting that the Missouri Public Service Commission review and reverse a decision of the North American Numbering Plan Thousands-Block Pooling Administrator (NANPA), NeuStar, Inc., of AT&T Missouri's application to obtain a single thousands-block within the NPA-NXX of 636-461, in the Imperial rate center, and within the XXXX ranges of 3000-3999, 4000-4999, 5000-5999, 6000-6999, 7000-7999, 8000-8999, 9000-9999, from which one hundred (100) sequential telephone numbers can be drawn in order to meet the needs of Boemler Chevrolet in Arnold, Missouri.

On June 19, 2007, the Staff of the Commission filed its Staff Recommendation. No other applications to intervene, requests for hearing, or recommendations have been filed. Staff recommended the Commission grant AT&T Missouri's request for a single thousands-block within the NPA-NXX of 636-461, in the Imperial rate center, and within the

XXXX ranges of 3000-3999, 4000-4999, 5000-5999, 6000-6999, 7000-7999, 8000-8999, 9000-9999, from which one hundred (100) sequential telephone numbers can be drawn.

The Commission has the authority to overturn NANPA's decision to withhold numbering resources from a carrier pursuant to 47 C.F.R. §52.15(g)(4), which states in part, "The state commission also may overturn the NANPA's decision to withhold numbering resources from the carrier based on its determination that the carrier has demonstrated a verifiable need for numbering resources and has exhausted all other available remedies."

Based on Staff's recommendation, the Commission finds that AT&T Missouri has demonstrated a verifiable need for numbering resources and has exhausted all other available remedies. The Commission overturns NANPA's decision and approves AT&T Missouri's request for a single thousands-block of telephone numbers as listed above.

IT IS ORDERED THAT:

1. The North American Numbering Plan Administrator's decision to withhold numbering resources from Southwestern Bell Telephone, L.P. d/b/a AT&T Missouri is overturned.
2. AT&T Missouri's request to receive a single thousands-block of telephone numbers within the NPA-NXX of 636-461, in the Imperial rate center, and within the XXXX ranges of 3000-3999, 4000-4999, 5000-5999, 6000-6999, 7000-7999, 8000-8999, 9000-9999, from which one hundred (100) sequential telephone numbers can be drawn, is granted.
3. This order shall become effective July 3, 2007.

4. This case may be closed on July 4, 2007.
