ADDENDUM TO STAFF REPORT

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), through the undersigned counsel, and respectfully states that after the filing of its Report on January 28, 2011, the Staff received information that necessitates that the Report be updated as follows:

1. The Report states that certain AT&T subsidiaries, TCG Kansas City, Inc. and TCG St. Louis, failed to respond, but AT&T’s response included those subsidiaries. The names of those companies should be removed from the list.

2. The Report states that TelCove Operations, LLC failed to respond, but its response was included in the response of Level 3 Communications, of which it is a subsidiary. Its name should be removed from the list.

3. Access Point, Inc. has now responded that it has no Missouri facilities, so it should no longer be considered non-responsive.

4. ComTech21 has now responded that it has no Missouri facilities, so it should no longer be considered non-responsive.

WHEREFORE, the Staff submits its modifications to its Report.

Respectfully submitted,

Colleen M. Dale, Senior Counsel
