NOTICE CLOSING CASE

Date Issues: March 30, 2009

On November 14, 2008, the Commission issued an Order approving the Stipulation and Agreement filed in this matter. As part of the agreement, and as ordered by the Commission, a Collaborative Working Group was formed to discuss the tariff classifications and customer classes to use for the purposes of class cost of service for districts other than the St. Louis Metro district. Although this matter was closed, a status report of the Collaborative Working Group caused the matter to reopen. Because there remains no further action in this matter, this case shall be closed.
