## ORDER CONSOLIDATING CASES

Issue Date: July 14, 2009

Effective Date: July 14, 2009

Osage Water Company has requested rate increases for both water and sewer service. The Commission opened separate files to consider those requests. On July 6, 2009, Staff filed a motion asking the Commission to consolidate these cases. No party has opposed that motion.

Commission Rule 4 CSR 240-2.110(3) allows the Commission to consolidate pending actions involving related questions of law or fact. The issues before the Commission in WR-2009-0149 are related to those in SR-2009-0152. Keeping the cases separate would not provide any benefit, and would require duplicate filings of every pleading and order. Therefore, the cases shall be consolidated for all purposes. File No. WR-2009-0149 is designated as the lead case and hereafter all pleadings filed in the consolidated case shall be filed in WR-2009-0149.

### THE COMMISSION ORDERS THAT:

1. File No. SR-2009-0152 is consolidated with File No. WR-2009-0149. File No. WR-2009-0149 is designated as the lead case.

2. This order shall become effective immediately upon issuance.
