ORDER DIRECTING FILING

Issue Date: October 25, 2006

Effective Date: October 25, 2006

This order directs Algonquin Water Resources of Missouri, LLC, to respond to Staff's Motion to Dismiss the Application of Algonquin Water Resources of Missouri, Inc. for a Rate Increase or, In the Alternative, to Modify the Procedural Schedule.

On May 5, 2006, Algonquin Water Resources of Missouri, LLC, filed a tariff to implement a rate increase for its Missouri water and sewer service territories. The Commission suspended the tariff on May 12.

On October 23, Staff filed the above-described motion. Staff contends that Algonquin has been less than forthcoming in providing information to Staff for its review for the upcoming rate case hearing. Staff asks that the Commission dismiss the case or, in the alternative, modify the procedural schedule to give Staff more time to respond to Algonquin.

The Commission will order Algonquin to respond.

IT IS ORDERED THAT:

1. Algonquin Water Resources of Missouri, LLC shall respond to Staff's Motion to Dismiss the Application of Algonquin Water Resources of Missouri, Inc. for a Rate

Increase or, In the Alternative, to Modify the Procedural Schedule no later than November 1, 2006.

2. This order shall become effective on October 25, 2006.
