In the Matter of Whispering Hills Water System's)
Small Company Rate Increase Request)

File No. WR-2009-0228

**NOTICE ACKNOWLEDGING WITHDRAWAL OF RATE INCREASE
REQUEST AND CLOSING FILE**

Issue Date: March 23, 2009

On November 26, 2008, Whispering Hills Water System commenced a small company rate increase proceeding by filing a letter with the Commission requesting a rate increase. On March 23, 2009, the Commission's Staff filed a verified statement indicating that Whispering Hills has informed Staff that it wishes to withdraw its request for a rate increase.

Commission Rule 4 CSR 240-3.050(23) states that at any time after a small company rate increase case is opened, the requesting utility can advise the Commission's Staff that it no longer wants to pursue a rate increase. Thereupon, the rule directs Staff to file a verified statement to that effect, and directs the presiding judge to issue a notice closing the case.

With Whispering Hills having withdrawn its request for a rate increase, nothing remains for decision by the Commission and this file shall be closed.
