The Commission is granting the request for an extension of time (“motion”) that Staff filed on behalf of the Riverside Collaborative Group (“Group”) established in the *Report and Order*.¹ In the *Report and Order*, the Commission established the Group to explore service issues that the City of Riverside raised in its pre-filed testimony, and ordered the filing of a report. Staff filed the motion as part of the *Report of Riverside Collaborative Group*.² In that report, Staff states that the Group has begun discussions of the service issues and asks for time to further its discussions. The Commission received no response to the previous motion within the ten-day period set by regulation.³ Therefore, the Commission will dispense with the response time for the pending motion.⁴ The Commission will grant the second motion and order the filing of a report.
