ORDER SETTING EXPEDITED DEADLINE FOR RESPONSES

Issue Date: February 29, 2012

Effective Date: February 29, 2012

On February 29, 2012, the Metropolitan St. Louis Sewer District filed a request to substitute the fully-executed "Water Usage Data Agreement" between it and Missouri American Water Company for the partially-executed copy that was attached to the Rebuttal Testimony of Jan Zimmerman as Exhibit 1 to that testimony. The fully-executed agreement only differs from the partially-executed copy in that all signature lines bear signatures. Barring any objection, the Commission will grant the request.

THE COMMISSION ORDERS THAT:

1. Any party wishing to object to the Metropolitan St. Louis Sewer District's request to substitute the fully-executed "Water Usage Data Agreement" for the partially-executed copy that was attached to the Rebuttal Testimony of Jan Zimmerman as Exhibit 1 to that testimony, shall file said objection no later than March 2, 2012.

2. If no objections are filed, the Commission grants the Metropolitan St. Louis Sewer District's request, effective 12:01 a.m. on Saturday, March 3, 2012. If any objection is filed, the Commission will rule on the objection at the on-the-record proceeding set for Tuesday, March 6, 2012.

3. This order shall become effective immediately upon issuance.
