Convenience and Necessity Authorizing It to
Construct, Install, Own, Operate, Control, Manage
and Maintain a Water and Sewer System for the
Public Located in an Unincorporated Area in
Camden County, Missouri

ORDER AMENDING PROCEDURAL SCHEDULE

Issue Date: October 11, 2006

Effective Date: October 11, 2006

On September 26, 2006, the Staff of the Commission filed a motion asking the Commission to amend the previously adopted procedural schedule to allow more time for the filing of rebuttal testimony after direct testimony is filed. The scheduled hearing date would not be changed. Staff's motion represents that the amended procedural schedule was agreed to by the parties attending the prehearing conference on September 20. However, not all parties attended the conference. More than ten days have passed since Staff filed its motion and no party has responded to that motion.

The amended procedural schedule proposed by Staff is reasonable and will be adopted.

IT IS ORDERED THAT:

1. The following amended procedural schedule is established:

Direct Testimony filed by the Company - October 27, 2006

Rebuttal Testimony filed by Staff, Public Counsel, and Other Parties	-	December 15, 2006
Surrebuttal Testimony filed by All Parties	-	January 16, 2007
List of Issues, List of Witnesses, Order of Cross Examination filed by Staff	-	January 19, 2007
Statements of Position filed by All Parties	-	January 26, 2007
Evidentiary Hearing	-	February 5, 6, & 7, 2007, beginning at 8:30 a.m.

2. This order shall become effective on October 11, 2006.

BY THE COMMISSION

Colleen M. Dale
Secretary

(S E A L)

Morris L. Woodruff, Deputy Chief Regulatory
Law Judge, by delegation of authority pursuant
to Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri,
on this 11th day of October, 2006.
