On June 20, 2005, WWC License LLC d/b/a Cellular One Long Distance filed with the Missouri Public Service Commission an application requesting that the Commission cancel the company's certificate of service authority to provide interexchange telecommunications services and the accompanying tariff. The company informs the Commission that it was granted a certificate to provide interexchange telecommunications service on December 1, 2000, in Case No. TA-2001-131.
