Case No. XD-2006-0218

ORDER CANCELING CERTIFICATE OF SERVICE AUTHORITY

Issue Date: December 5, 2005

Effective Date: December 5, 2005

On November 22, 2005, the Staff of the Missouri Public Service Commission filed a motion to cancel the certificate of service authority to provide intrastate interexchange telecommunications service granted to Transcommunications, Inc., in October of 1996, in Case No. TA-97-75. Staff also states that the Commission approved the company's tariff in the same case.

In support of its motion, Staff states that the company sent the Commission a letter requesting that the Commission cancel the company's certificate. According to the letter, attached to Staff's motion, the company ceased making new prepaid calling cards available on November 8, 2004. The cards remain effective for one year. Further, the company has contracted with Innovative Processing Solutions, LLC, for the continued provision of service to the limited customers' accounts that may remain active.

Staff further states that the company owes no annual reports or assessment to the Commission. Because the company no longer provides service in Missouri, Staff recommends that the Commission issue an order canceling the company's certificate.

Section 392.410(5), RSMo 2000, states: "Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected . . ." The Commission has reviewed Staff's motion and the attached letter and finds that the Certificate of Service Authority granted to Transcommunications, Inc., in case number TA-97-75 shall be canceled, as well as the accompanying tariff.

IT IS THEREFORE ORDERED:

1. That the certificate of service authority to provide intrastate interexchange telecommunications services granted to Transcommunications, Inc., in Case No. TA-97-75 is canceled.
2. That Transcommunications, Inc.'s tariff, Missouri P.S.C. Tariff No. 1, is canceled.
3. That this order shall become effective on December 15, 2005.
4. That this case shall be closed on December 16, 2005.
