**ORDER CANCELING CERTIFICATE OF SERVICE AUTHORITY**  
**AND TARIFF**

Issue Date: May 18, 2007

Effective Date: May 28, 2007

On April 16, 2007 the Staff of the Missouri Public Service Commission filed a motion to cancel the certificate of service authority granted to US Telecom, Inc. d/b/a Sprint Services. Staff states that the Commission granted US Telecom a certificate of service authority to provide intrastate interexchange in Case No. TA-90-127. In that same case, the Commission approved the company's tariff, P.S.C. MO TARIFF No. 1.

Staff further states that for many years the company did not appear on the Commission's list of certificated companies. Also, the company's tariff did not appear in the Commission's Electronic Filing and Information System until recently discovered. Since then, Staff received a request for US Telecom to cancel the company's certificate.

Staff informs the Commission that no formal complaints have been filed against the company and that the company is not providing service in Missouri.

Under Commission rule 4 CSR 240-2.080(15) parties shall not be allowed more than ten days in which to file a responsive pleading. More than ten days have expired since Staff filed its motion and US Telecom has not responded.

Section 392.410.5, RSMo 2000, states: "Any certificate of service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected. . . ." The Commission has reviewed Staff's motion and finds that granting the motion is reasonable. The Commission will therefore cancel the certificate of service authority granted to US Telecom in Case No. TA-90-127.

**IT IS ORDERED THAT:**

1. The certificate of service authority to provide intrastate interexchange telephone service granted to US Telecom, Inc. d/b/a Sprint Services, in Case Nos. TA-90-127, is canceled.
2. The tariff, P.S.C. MO TARIFF No. 1, approved for US Telecom, Inc. d/b/a Sprint Services is canceled.
3. This order shall become effective on May 28, 2007.
4. This case shall be closed on May 29, 2007.
