Operate, Control, Manage and Maintain a)	
Water and Sewer System for the Public)	
Located in an Unincorporated Area in)	
Camden County, Missouri.)	

MOTION FOR EXTENSION OF TIME

COMES NOW the Staff of the Missouri Public Service Commission ("Staff"), and for its *Motion for Extension of Time* states the following to the Missouri Public Service Commission ("Commission"):

1. On August 14, 2006, the Commission issued its *Order Extending Procedural Schedule* ("Order") setting the following filing dates:

Friday, August 25, 2006	Stipulation and Agreement
Wednesday, September 6, 2006	Staff Suggestions in Support of Stipulation and Agreement
Monday, September 11, 2006	Other Parties Responses to Staff's Supporting Suggestions

2. Staff and Applicant agree to extend the above filing deadlines one week to allow the developers additional time to complete contract modifications that they have discussed with Staff and Applicant.¹ As of the date this request is filed, negotiations on the contract modifications are near conclusion.

¹ As indicated in Footnote 1 of the *Joint Motion to Extend Date For Filing Stipulation And Agreement And Other Deadlines In Procedural Schedule* filed by Staff and Applicant on August 11, 2006, the filing of the stipulation by the parties is expressly conditioned upon the filing by Applicant of a duly executed modification to the contracts identified as Exhibits A and B to the Feasibility Study in substantially the form attached to their initial proposed procedural schedule filed June 19, 2006.

3. This extension is sought not for purposes of delay but for the purpose of preserving the application in the interest of fairness and equity to the parties as they prepare the final form of the consolidated agreement for filing.

WHEREFORE, for the foregoing reasons, the Staff respectfully requests that the Commission extend by one week the filing deadlines set by the Commission's August 14th Order.

Respectfully Submitted,

/s/ Mark. W. Comley
