Effective Date: April 23, 2009

On June 19, 2008, Seges Partners Mobile Home Park, L.L.C. ("Seges"), filed an application with the Missouri Public Service Commission. It requests a certificate of convenience and necessity to operate a water system.

After several rounds of pleadings, Staff filed its 2nd Status Report on April 22, 2009. Staff states that Seges intends to file, by the end of the week, an additional application for a certificate of convenience and necessity to operate a sewer system. Staff asks the Commission to allow Staff to file its recommendation in 30 days, to allow Staff time to review the imminent sewer certificate application.

The Commission finds Staff's request reasonable, and will grant it.

THE COMMISSION ORDERS THAT:

1. The Staff of the Commission shall file a Recommendation or a Status Report no later than May 25, 2009.

2. This order shall become effective immediately upon issuance.
