DEAR MR JONES

Missouri Public  
Service Commission

I WAS NOT SURE WHOM TO ADDRESS THIS TO, BUT I ASUME THAT YOU WILL GET IT TO THE RIGHT PERSON.

I AM RESPONDING TO THE COMMISSION'S STAFF'S RECOMMENDATION CONCERNING THE WOODLAND ACRES WATER SYSTEM, WHICH I AM THE OWNER OF.

I HAVE READ AND AGREE WITH MAJORITY OF THE STAFF'S RECOMMENDATIONS, I DO QUESTION THE HIGH COST THAT HAS BEEN SET TO CHARGE MY WATER CUSTOMERS.

I WOULD PERFER THAT THE COMMISSION WOULD DROP EACH OF THESE CHARGES DOWN THIRTY (\$30.00) DOLLARS EACH QUARTER, AND CHARGE THE FULL TIME RESIDENTS A RATE OF \$140.34 QUARTERLY, AND CHARGE THE PART TIME RESIDENTS A RATE OF \$106.27 QUARTERLY.

HOWEVER, IF THIS IS GOING TO PROLONG MY REQUEST FOR A CERTIFICATE OF CONVENIENCE AND NECESSITY TO PROVIDE WATER SERVICE FOR A FEE; THAN I SAY LEAVE IT AS IS.

SINCERELY
