**ORDER ESTABLISHING INTERVENTION DEADLINE**  
**AND REQUIRING FILING**

Issue Date: September 8, 2005

Effective Date: September 8, 2005

On August 19, 2005, the Staff of the Missouri Public Service Commission filed a motion in which it requested that an intervention deadline be set and that certain companies be required to respond to the Staff's request for information.

The purpose of this matter is to allow Staff to gather sufficient information to allow it to ascertain the statewide average rate for nonwireless basic local telecommunications service in Missouri. Due to the nature of the information sought and the statutory necessity for weighting the rates, no reasonable alternative means of data collection is available to the Staff. Therefore, companies in possession of the information Staff needs will be required to respond.

The Commission finds that proper persons shall be allowed 20 days from the issuance of this order to request intervention. The Commission also finds that notice of this application shall be sent to all local exchange telecommunications companies.

**IT IS THEREFORE ORDERED:**

1. That any party wishing to request intervention in this matter shall do so by filing a pleading no later than September 28, 2005, with:

Colleen M. Dale, Secretary  
Missouri Public Service Commission  
Post Office Box 360  
Jefferson City, Missouri 65102

and send a copy to:

Office of the Public Counsel  
Post Office Box 2230  
Jefferson City, Missouri 65102

2. All local exchange companies, including alternative, competitive or incumbent local exchange companies, shall submit to Commission Staff Member Walter Cecil (at [walter.cecil@psc.mo.gov](mailto:walter.cecil@psc.mo.gov)), on or before September 30, 2005, the worksheet found at [www.psc.mo.gov/TelcoIndustryInfo.asp](http://www.psc.mo.gov/TelcoIndustryInfo.asp) in a properly completed form.

3. That the Commission's Data Center shall send a copy of this order to all local exchange telecommunications companies.

4. That this order shall become effective on September 8, 2005.
