MOTION TO SUSPEND PROCEDURAL SCHEDULE

COMES NOW Missouri-American Water Company (MAWC), on behalf of itself, and the Staff of the Missouri Public Service Commission (Staff), Office of the Public Counsel, Midwest Energy Consumers Group, Missouri Industrial Energy Consumers, the Empire District Electric Company, City of Riverside, City of St. Joseph, Municipal League of Metro St. Louis, Consumers Council of Missouri, Public Water Supply District No. 2 of Andrew County, Sunnydale Properties, and Triumph Foods, LLC, moves to suspend the current procedural schedule, and requests expedited treatment, as follows:

1. The Public Service Commission (Commission) has recently set the evidentiary hearing for this case to begin on February 24, 2021, at 2:00 p.m.
2. Terms of a global settlement of the case have been either agreed to, or not objected to, by all parties.
3. Given this situation, it is believed that the parties’ resources are best spent converting those agreed to terms to a stipulation and agreement for filing with the Commission.
4. Accordingly, the parties request that the Commission suspend the procedural schedule and propose that the parties be directed to file a stipulation and agreement or a status report by February 26, 2021.

WHEREFORE, MAWC requests that the Commission suspend its currently set procedural schedule to allow for creation and filing of a stipulation and agreement and further asks that the Commission afford this Motion expedited treatment.

Respectfully submitted,

Dean L. Cooper, MBE #36592
