STATE OF MISSOURI PUBLIC SERVICE COMMISSION

At a session of the Public Service

Commission held at its office in Jefferson City on the 3<sup>rd</sup> day of

December, 2019.

In the Matter of the Proposed Missouri American Water Company Revised Tariff Sheets

Case No. WT-2020-0136 Tariff No. JW-2020-0076

NOTICE REGARDING TARIFF

Issue Date: December 3, 2019

On November 18, 2019, the Staff of the Commission filed its Motion to Suspend

Tariff Sheets and Open New Docket. Missouri-American Water Company's tariff could

change how often St. Louis County fire protection customers are billed. Thus, Staff

believed the tariff may be of interest to other parties. Staff stated that it would conduct its

review on the tariff as quickly as practically possible. The Commission took no action on

Staff's motion, and the tariff has not been suspended.

On November 22, the Staff of the Commission then recommended that the

Commission approve the tariff. Staff stated that the proposed tariff would allow St. Louis

County customers the option of being billed monthly or annually.

On November 25, the Commission directed any responses to Staff

Recommendation to be filed no later than November 29. The Commission received no

responses.

<sup>1</sup> Calendar references are to 2019.

The Commission has reviewed the tariff sheets and Staff's recommendation. The Commission will allow the tariff sheets to take effect.
