Change a Water and Sewer Infrastructure )  
Rate Adjustment (WSIRA) )

**ORDER GRANTING APPLICATION TO INTERVENE**

Issue Date: April 19, 2022

Effective Date: April 19, 2022

On March 4, 2022, Missouri-American Water Company (MAWC) filed its petition to change its water and sewer infrastructure rate adjustments (WSIRAs) under Sections 393.1500-1509, RSMo. MAWC also requested that the Commission approve its tariff sheets to implement the WISRA's. The Commission suspended the tariff sheets until August 31, 2022, set deadlines for intervention requests, Staff's recommendation, and objections to the application. On March 28, 2022, the Missouri Industrial Energy Consumers (MIEC) filed a timely application to intervene.

More than ten days have passed since the application was filed and no one has responded. After considering the unopposed application to intervene, the Commission finds that MIEC has an interest that is different from the general public and allowing it to intervene will serve the public interest. Therefore, in accordance with Commission Rule 20 CSR 4240-2.075(3), the Commission will grant the application to intervene.

**THE COMMISSION ORDERS THAT:**

1. The application to intervene of MIEC is granted.
2. This order shall be effective when issued.
